Professional Summary

Motivated Computer Science Engineering student with a strong interest in software development and data analytics. Skilled in JavaScript, React.js, Python, SQL, and web technologies, with hands-on experience developing academic and personal projects. Seeking an opportunity to apply technical skills and continuously learn in a challenging software development environment.

Technical & Soft Skills

● Programming Languages: Python, Html,CSS, JavaScript
● Tools & Technologies: Git,VS Code
● Database: MySQL
● Soft Skills: Problem-Solving, Teamwork & Collaboration, Communication, Time Management, Adaptability

Projects

STUDENTS DASHBOARD
Technologies: React.js, JavaScript, Axios, REST APIDeveloped a responsive student dashboard with Dashboard, Student List, Student Profile, Courses, Attendance, and Notifications modules.

- Integrated REST APIs using Axios to retrieve and display student data.
- Implemented loading and error handling with fallback mock data.
- Designed a clean and user-friendly interface using React components.
- Deployed the application using Vercel.

API USER MANAGEMENT APPLICATION
Technologies: React.js, JavaScript, Axios, REST API

- Developed a React application to fetch and display user information from a REST API.
- Implemented API requests using Axios with proper error handling.
- Added search and filtering functionality for user data.
- Created a responsive table-based interface for displaying API data.
- Deployed the application using Vercel.

Education

Bachelor of Engineering, Computer Science & Engineering
● KSR Institute for Engineering and Technology, Tiruchengode, Tamil Nadu ● 2025
● **CGPA upto 4TH Semester: 8.32**

Certifications

- **Data Analytics Beginner Course** – Novi Tech (Online Platform)
- **Internship Certificate** – Gentrobye AI Lab Company, Chennai
- **Hackathon Certification** – KPR College of engineering(coimbatore)
